PDF viewer check

Original practice file. No personal data is required.

Search marker: BLUE LANTERN 427

Find the marker above with your PDF reader search.

Select and copy this line: The library opens at 10:30.

Type DEMO-427 in the field below, then save a new copy.

Select the confirmation box. Close and reopen the saved copy.

☐ I am using fictional practice data.

Expected reopened result: DEMO-427 and a selected checkbox.

An empty original is correct; your saved copy should retain your entries.

These are ordinary PDF form fields, not an XFA or scripted form.

Passing this exercise does not prove support for your real document.

If a file opens in the wrong app, check the Windows .pdf association.

If the intended app opens but a form fails, investigate document support.
