1. Brief

This packet uses five printed page numbers.

Insert a blank after page 2 to separate the opening brief from the working pages.

2. Scope

The separator belongs after this page.

In the six-page copy, the following blank is physical PDF page 3.

3. Working notes

This printed page number stays 3.

One inserted blank shifts this page to physical position 4.

4. Review

Check content pages on both sides of the inserted gap.

Two inserted blanks shift this page to physical position 6.

5. Appendix

The original packet ends on printed page 5.

A blank page has no printed page number in these practice files.
